

Your legacy can feed desperately hungry children living in some of the world's poorest countries.

By leaving a gift to Mary's Meals, no matter how small, you can feed desperately hungry children living in some of the world's poorest countries. You can be assured that we will cherish any gift entrusted to us.

We're committed to keeping our running costs low to maximise the good we can do – 93% of all donations to Mary's Meals

are spent directly on charitable activities. We are already reaching more than two million children every school day with life-changing school meals. We believe that, through the generosity and kindness of people who leave gifts in their wills, we can end world hunger.

Leaving a gift in your will is a very personal and important decision.
